

EXECUTIVE SUMMARY

Self-driven and motivated Computer Science student with 1 year of experience in front-end, back-end, and database development. Proven ability to leverage full-stack knowledge and experience to build interactive and user-centered website designs to scale, develop and implement new software platforms, and provide IT support and assistance to colleagues. A 2020 batch student of NUST interested in web development.

PROFESSIONAL SKILLS AND INTERESTS

- Front-end Development
- Database Development
- Data Structure and algorithm
- Social Skills
- Object Oriented Programming
- Problem Solving

VOLUNTEERISM

QUETTA FOUNDATION – Executive member: An executive assistant helps the executive for whom they work with tasks such as scheduling; reviewing, prioritizing, and responding to emails; answering and returning phone calls; organizing documents; maintaining records; taking notes at meetings and any other administrative tasks that help the executive perform their job. Quetta Foundation is a volunteer-based self-supported organization.

RELEVANT PROJECTS

Home Automation System: Home automation System using ESP-32. Appliances can be controlled from anywhere. A mobile application is used for controlling the devices.

Catering Management System(database design): I have created the database design that stores and update all the record of the stock(their prices and quantity) in Mysql

Phonebook Directory: phonebook directory is a very simple C++ project targeted at beginners in C++ programming. It uses very simple file handling operations to make up the whole project; these include adding, deleting, searching, listing, and modifying records, to or from files.

Portfolio website: I have created the portfolio website for myself using HTML and CSS. The link to the website is <https://malikmoiz123.github.io/Portfolio/>

EDUCATION

BS(2020-2024) Computer Science NUST BALOCHISTAN CAMPUS

- Expected graduation in 2024.

Additional Courses:

- **Html CSS course** (Udemy).
- **Freelancing**(digiskills.pk).
- **communication and soft skills**(digiskills.pk).

OTHER RELEVANT INFORMATION

Technical Skills: C++/C(Advanced),JAVA(Advanced),Javascript(Intermediate), MySQL(Intermediate),HTML(advanced),CSS(intermediate),github(intermediate),Data Structure(advanced),OOP(advanced).

Computer skills: MATLAB, Arduino, Modelsim, MS Excel, MS PowerPoint, MS Word.
